

BAE Systems awards Onodi Tool & Engineering “Gold Supplier of the Year” at its third annual ‘Partner2Win’ Symposium

Onodi Tool & Engineering Among More Than 20 Award Recipients Recognized at the Annual ‘Partner2Win’ Supplier Awards Ceremony

Melvindale, MI – December 17, 2021 – Onodi Tool & Engineering Co. today announced it received a BAE Systems Partner2Win Supplier of the Year Award for Quality and Delivery based on exceptional performance and contributions to supply chain success in 2021 for BAE Systems’ Combat Mission Systems business.

BAE Systems’ Partner2Win is a global program designed to achieve operational excellence and eliminate defects in its supply chain by raising the bar of performance expectations to meet the demand of current and future customers. As part of the program, BAE Systems meets regularly with its suppliers at their locations to transfer best practices to ensure that the components and materials that compose BAE Systems products meet the highest quality standards.

“Our suppliers have overcome many challenges posed by the COVID pandemic to sustain deliveries of our products to Army, Marines, and Navy customers,” said Andy Corea, vice president and general manager of BAE Systems’ Combat Mission Systems business. “By partnering with the highest performing suppliers – including Onodi Tool & Engineering Co. in the industry, we have and will continue to exceed our customers’ expectations.”
